## ECHO RUN

---

The owner of the Echo Run mobile app (referred to hereinafter as the "App") is Joeri W. Bultheel - "dataexcess" and its future legal successors and assigns.

The App is a reverse image search app based on Google's free image search engines.

The owner of the App (referred to hereinafter as "we", "us") respects and protects the privacy of its users who use its services. To ensure transparency, this Privacy Policy describes the information handling practices when you use the App and related services (referred to collectively hereinafter as "Services").

Please take a moment to read this Privacy Policy carefully. If you have any questions about this Privacy Policy, please contact us at [contact@dataexcess.xyz](mailto:contact@dataexcess.xyz).

### ACCEPTANCE OF PRIVACY POLICY

By accessing and using our Services, you signify acceptance to the terms of this Privacy Policy.

If you do not agree with or you are not comfortable with any aspect of this Privacy Policy, you should immediately discontinue access or use of our Services.

### CHANGES TO THIS PRIVACY POLICY

We reserve the right to modify this Privacy Policy at any time, and when required by law, we will notify you of changes to this Privacy Policy. If we make any changes, we will upload the new version of the Privacy Policy to the App Store.

### THE INFORMATION WE COLLECT

The only information the App needs from its users is a picture. The App is based on Google's free image search engines. It means that all pictures taken or imported into the App, goes directly

from the device to Google servers. These pictures are never seen by the developer and they are not identifiable (there is no way to know what picture was sent by a specified device).

You are free to choose whether to provide us with the certain picture but we are not able to offer you our Services when you choose not to share picture with us.

Currently, we do not collect any data that would constitute your personal information, but we may decide to collect it in the future and will correspondingly update this Privacy Policy. For example, we could be processing your personal data to provide customer support or ask you what new features you would like to see coming to the App in the future.

Before using the App, please read the Google Privacy Policy you can find in the link below:

<https://policies.google.com/privacy>.

#### **AUTOMATICALLY COLLECTED INFORMATION**

The App may collect certain information automatically, including, but not limited to: the type of mobile device you use, your mobile operating system, the information about the way you use the App due to solely compile stats to help the App development.

None of this information can be used to personally identify you.

#### **HOW TO CONTACT US**

If you have questions or concerns regarding this Privacy Policy, or if you have a complaint, you should contact us at
